Chapter Three COALITION SCUD-HUNTING IN IRAQ, 1991

their Scuds Toward this end, the coalition mounted combat air con-trols over so-called "kill boxes" where TELs were suspected¹⁷ The kill boxes were located in two areas—western Iraq near the Jordanian border, where the Scuds were fired at Israel, and southern Iraq, where they were aimed at Saudi Arabia¹⁸ Air commanders hoped

FROM DESERT STORM TO 2025

difficult to argue with the achievements of air power in Desert Storm, such success creates difficult questions Will the next conflict mirror the situation in Iraq and Kuwait? Will air power be the decisive factor in the next war? Are protracted engagements by ground forces a thing of the past? If the answers are yes, then the relegation of

Thunder and Lightning Desert Storm and ... - Air University

Mann believes that the brilliant performance of aerospace power in Desert Shield/Storm resulted from an internal compromise which reflected, to a remarkable degree, airpower doctrine of 1943 (specifically, FM 100-20, Command and Employment of Air Power, July 1943) While much has changed, especially in
